### DESCRIPTION

The villa can accommodate up to 15 people, offering both independence via private room entrances and intimacy with large communal areas for the entire group to enjoy. It even has a game room with a pool table, chess, and darts. But of course, you might want to spend your days outdoors in the spectacular pool and deck, just a few meters away from a private beach stretch fitted with sun loungers and hammocks.

The residence has three separate units, Firstly, Bora, which has a spacious living room, a fully furnished American style kitchen, one king-size bedroom, one futon, and a large covered deck overlooking the beach. Then there's Sirocco, with a fully equipped kitchen, one king-size bedroom room facing the sea, and a second room that boasts its own tropical garden.

Lastly, Mistral will amaze you with panoramic views of the bay, large common spaces, and a covered second-floor terrace with an outdoor lounge. Its two large bedrooms offer enough space for five people, who will relish the Caribbean atmosphere in utter comfort.

This beach house near Tulum is located in one of the most privileged places in the Riviera Maya. Just a 15-minute drive away from the charming town center and secluded in a private inlet but still close enough to Maya ruins, cenotes and other natural wonders, Sombras del Viento is a fantastic retreat to spend a memorable holiday in paradise.
