DESCRIPTION

This stunning house is a private and tranquil retreat for families or couples who are after an experience which is curated just for them. You will enjoy the very best of BVI and have your every desire catered to. If you want to be on the water, or explore nature, or discover new cuisines, or simply lay by the pool with a cocktail, this villa will embrace you.

The bedrooms are made up of cottages surrounding the main house, so this gives you the opportunity to have some private time & a quiet space from the rest of your guests. All air conditioned bedroom bathrooms with elegant furnishings. One of the cottages has 2 bedroom bathrooms with an interconnecting interior hallway for a family to have each other near them. Couples can still be separate if you wish as the hallway allows for this. Wrap around verandas look out over the ocean & nearby islands of Norman & Peter Island in the distance. You can even see St Croix in the very far distance. Also views over the bustling marina of Soper's Hole & St John in the USVI is just beyond. Another of the cottages offers a romantic hideaway with its beautifully appointed bedroom bathroom, again with lovely verandas wrapping around two sides of this cottage. Sumptuous loungers for you to read & relax during your trip along with stunning views of the BVI. Great for a honeymoon couple.
