St Helena

St. Helena offers guests a unique feeling of the Old Colonial Style of living. This beautiful beach house is nestled within lush tropical gardens and the white, sandy shores of a picturesque West Coast beach, and has the unusual addition of an aviary housing 250 homing budgerigars. Designed by the late Oliver Messel with recent renovations by local renowned architect Larry Warren, St. Helena is tastefully and comfortably furnished with everything you should need to make you feel right at home.
