DESCRIPTION

This traditional villa of 457 sq.m is built in a lot of 2103,9 sq.m and features 7 bedrooms, 5 bathrooms, fireplace, storage room, a brand-new tennis court, swimming pool surrounded by a fully equipped outdoor kitchen and spacious dining area, pool bar, while it is not deprived of modern conveniences.

It is ideal for those who remain true to the traditional style, but do appreciate a “touch” of luxury and modern amenities. It's situation opposite the Old Harbor of Spetses offers spectacular views to this much-admired island across the bay.

The ground floor features a rustic-style kitchen, a spacious living and dining area connected to the beautiful pool area and two bedrooms with a shared bathroom and great views. Another 3 bedrooms are found at the lower level from where the guest house and the garden/pool area can be reached. There are not enough words to describe the great aesthetics and quality in every part of this villa, indoors or outdoors.

Everything is there to ensure a comfortable and upper-class stay for an extended family and/or group of friends, just some minutes away from the impressive Spetses and the cosmopolitan Portoheli.
