DESCRIPTION

Find minimalist style, a spacious, open floor-plan, and 36 feet of sliding glass framing your private infinity pool and the barefoot beach ahead. Livable luxury defines this exceptional home: dine indoors or out; make a favorite recipe in the chef's kitchen or call on a personal chef to wow you. Take a barefoot stroll to Rum Point for a cocktail to close out the day.

Four bedrooms have king beds. Two of these are luxurious oceanfront master suites; another king suite has an ocean view. The third king bedroom shares a bath with the bunk-room, which sleeps six kids or four adults on two twin-over-full bunks with trundles underneath. An ideal set-up for multiple families or couples.
