### DESCRIPTION

At the heart of Tagomago lies the luxury villa that is the sole and exclusive residence on this stunningly beautiful private island. Created by a leading interior designer, the villa's interiors reflect a contemporary, sophisticated aesthetic, furnished and finished to the highest quality – and with state-of-the-art technology.

The villa has five double bedrooms, each with spa-style, en-suite bathroom and floor-to-ceiling windows, affording magnificent views of the sea and the Ibiza coastline. And with its spacious living and dining areas – and complete professional kitchen – the villa is a magnificent setting for entertaining at the very highest level.
