### DESCRIPTION

Next to the beach is the 11-metre private swimming pool, with a large alfresco dining *sala* at one end, looking out to sea. Behind the *sala*, set in the well-maintained gardens, is the glass-fronted living, dining and kitchen pavilion.

To the other side of the garden is the palatial master suite with an unobstructed sea view.

The four guest bedrooms are arranged in a pair of pavilions just behind the master suite and living pavilions, each with its own furnished veranda.

Alongside the tennis court, which is shared by both villas, is parking space for two cars and staff accommodation with back-of-house services.

The social heart of Tawantok Beach Villa 2 is the bright living and dining pavilion, with its huge rustic wooden table, large comfortable sofas facing a wall-mounted TV screen and broad glass doors opening onto the garden and sea views from two sides. Above the dining area, under the eaves of the traditional Thai peaked roof, and reached via a spiral staircase, is a multi-purpose mezzanine room that could be designated as a children's play area or massage room.

The villa's 11-metre infinity-edge pool has a spacious deck furnished with sunbeds for admiring the wide sea view while topping up your tan. The beautifully maintained garden is ornamented with richly scented frangipani trees and pots of brilliant bougainvillea and royal lotuses, and alfresco dining is a treat in the beachside *sala*, just a few steps away.
