DESCRIPTION

Crafted from green oak and erected by local craftsmen, the Cabin is a self-contained, open-plan space with a separate shower room/ wc.

The kitchen is fully equipped with a combi oven/ grill/ microwave, fridge and ice box, and a Nespresso coffee machine.

Above the kitchen is a small but cosy mezzanine level, perfect for reading a book or playing board games.

With very little mobile signal and only 'pocket' Wi-Fi, the Cabin may not be high-tech, but comfort is certainly in abundance here. As night falls, retreat to the luxurious king-size bed and start to feel your mind and body unwind.

On long summer evenings, stargaze from the newly installed hot tub, or sit around the fire pit, toasting marshmallows and recounting tales. During cooler months, snuggle up inside with a cup of cocoa or something stronger.

We do recommend you bring a car due to the remote location of the property. Parking is a short walk from the Cabin, along a private footpath, but a wheelbarrow is provided for transporting luggage and supplies.

One of a kind, and quite unlike any property you will have stayed in before, this beautiful woodland bolthole is the epitome of a romantic sanctuary for two, or a blissful escape for one.
