DESCRIPTION

Part of the Schooner Bay Development, The Lookout faces the beach. Guests can enjoy breathtaking views of the Caribbean Sea from the wrap-around terrace of the upper floor and from the one running along the 2 bedrooms and the living room.

The Lookout features three centrally air-conditioned bedrooms. Each has a luxurious en suite bathroom with marble tiling throughout.

The building with just four floors, accessible with an elevator, results in higher ceiling heights, enhancing the breezy atmosphere. It has plenty of space for family dinners, sunset cocktails or simply relaxing. An office facing the communal pool and tropical garden completes this luxurious apartment.
