### DESCRIPTION

A former coach house, this unique and quirky bolthole combines the luxury of a boutique hotel with the comforting details of a home away from home. There is even a parking space for your use, despite the unrivalled central position.

Snuggle up in the sanctuary of your secluded hideaway and listen to the gentle crackle of the wood burning stove. Soft wall-mounted lights add a cosy ambience whilst abstract art, and lush plants, bring a vibrant pop of colour.

The kitchen is fully equipped; with everything you could possibly need for relaxed cooking, and there's small table for intimate dining.

Upstairs, beneath exposed rustic beams, find a beautiful bedroom with a king-sized bed draped in sumptuous White Company bed linen. Drift away after a long soak in the tub, and enjoy a perfect night's sleep.

Outside, discover an enchanting walled courtyard garden, with an ornate table and chairs, and flourishing exotic plants. In the evening, fire up the barbeque and enjoy a tipple, as twinkling fairy lights light up this magical oasis.

Set back from the hubbub of the city centre, this charming, hidden bolthole is the ultimate romantic escape.
