### DESCRIPTION

Three master suites with en-suite bathrooms in the main house are perfect for three couples. The adjacent guest house, with two king bedrooms and a shared bath, is great for a family of four or two more couples. A 40' by 15' fresh water pool, the centerpiece of an expansive deck, is a glorious place to relax, breath deep and savor the spectacular views of St. Martin. With a small beach just steps away, there is a perfectly secluded place to sunbathe, snorkel and rejuvenate by the sea.
