DESCRIPTION

Defined by its fine finishes of coral, travertine, granite, and marble. One only has to bypass the palm tree-lined paved driveway, stately fountain and impeccable grounds to be transported into a private world of luxury. The ground floor level is designed on open plan principles featuring high pickled-pine ceilings, newly renovated kitchen, spacious indoor and outdoor living. The dining area, also on the ground floor, offers a haven to relax and enjoy a family meal at your Barbados holiday villa either indoors or outdoors. There are two spacious bedrooms on the ground floor, both beautifully decorated. One of the bedrooms has its own exclusive terrace and garden view. The first-floor features 2 large en-suite bedrooms, each with a walk-in closet and either could be used as the master bedroom and both have access to a balcony overlooking the swimming pool and facing the sea. Separate staff quarters on the ground floor are made available for staff and include a laundry room and an adjacent additional (5th) bathroom.

Royal Westmoreland enjoys 24-hour security and holiday guests have the option to access to tennis courts, fitness centre and clubhouse with a resort pool, varied dining options and the beach facility. When you stay at Tradewinds you'll have the benefits of the owner's golf membership, with preferred tee times. A golfer's dream holiday!
