DESCRIPTION

We designed our outdoor living area to provide a boutique hotel experience just for your family: little ones can splash in the infinity pool while you stretch out on a lounge in the sun. Meanwhile, the kids will be fascinated by aquatic life found while snorkeling the offshore coral outcrops

Six bedrooms sleep 18 in comfort and include two master suites. One is spa-inspired with a deep soaking tub and ocean-view shower. The other is adjacent to a children's bedroom to keep the little ones close. Older kids will find their own retreat in the downstairs bunk-room, adjacent to two queen suites – one is ocean-view, the other garden-view.
