Situated on 3 private acres of lush tropical gardens, Trident has plenty of seclusion and everything you need for an idyllic vacation. LOCATION:

Luxury Villa Living

Unique Village restaurant and bar is a 3-minute walk down the beach from Trident Estate. La Bougainvillea Resort with its excellent restaurant and bar is a 15-minute walk down the beach.

The town of Palmetto Point is just half a mile away, a one-minute drive or a ten-minute walk. Tippy's beachfront restaurant is a 5-minute drive. A ten-minute drive takes you into Governors Harbor, the main town on the island. Governors Harbor has a charming collection of 19th century homes and churches overlooking its historic harbor. Buy fresh fish and lobster most afternoons from fisherman at the town dock, or visit the recently restored Haynes Library, which dates from 1897, for the weekly coffee hour for foreign residents and tourists. Governors Harbor has grocery stores, restaurants, liquor stores, two banks with ATMs, a bakery, gift shops, and a medical clinic. Friday Night Fish Fry in Governors Harbor, a street/beach party that brings together all the tourists and locals with food, drink, and dancing in the street, is not to be missed.
