### DESCRIPTION

Tumpang Sari Villa comes with two spacious en suite bedrooms featuring king size beds with luxurious 300 thread count Indian cotton sheets. The oversized bathrooms come equipped with modern showers as well as the ultimate in decadence, an outdoor solid marble bathtub where you can enjoy a relaxing soak while gazing out at Bacuit Bay and the magnificent scenery surrounding it.

The main salon can also be converted into a third bedroom, courtesy of the couch which can be transformed into a genuine king size bed.

With a 2 metre wall surrounding the property, the Tumpang Sari Villa provides a secluded place to get away from everything but the stunning views. Its private Balinese style 10m x 4m swimming pool is set in more than 100 square metres of Java stone terracing that leads to the balconies adjoining the two bedrooms. The villa also has its own 200 square metre garden, which brings a piece of the surrounding countryside right into your backyard.

The two things that hit you as you enter Tumpang Sari Villa are the amount of space, and the gorgeous ethnic artwork and carvings that adorn the surfaces. Centre stage in the living areas is the two metre long dining table, crafted from a single piece of acacia wood. The villa also boasts the best the 21st century has to offer, with a 48" Smart TV, access to satellite and cable TV, as well as a stereo sound system. All bedrooms and interior living areas are air conditioned. The fully equipped kitchen has an oven, induction stovetop and a marble countertop - the ideal place to prepare your food with Bacuit Bay and the El Nido vista as a glorious backdrop.
