### DESCRIPTION

This 3rd floor condo welcomes you and an additional 7 guests to experience all of the magic that Oahu has to offer with its premiere location on the world-famous North Shore and within the expansive 850-acre community of Turtle Bay.

This particular Turtle Apartment 1 features 3 elegant bedrooms, 2 luxurious bathrooms, new furniture additions, and a well-appointed kitchen, perfect for crafting your favourite meals. You'll delight in the high ceilings and fine finishes such as Brazilian chestnut floors and granite countertops, and the central air conditioning and complimentary wireless internet service will provide you with every comfort of home.

Walking into the spacious primary suite immediately whisks you away to a relaxing sanctuary with its King-size bed, walk-in closet, and spa-quality bathroom complete with a deep soaking tub, separate shower, and dual-sink vanity. This home also offers two additional bedrooms that are within close proximity to the second full bathroom. All three bedrooms contain HD Smart TVs to ensure that every guest has the space to escape if they wish, with the primary bedroom and living room maintaining full cable access.

Of course, the real Hawaiian adventure that you've been waiting for lies just beyond the walls of your villa. Step outside onto your private, 167-square foot lanai to take in views of the lush, tropical grounds, awe-inspiring Pacific, and dazzling pool just mere steps away from your back door. Imagine slipping away for a quick morning dip or enjoying a water day with your little ones, where you can venture back to your condo for snacks and lunchtime preparations with ease.

If you're willing to venture a little further, Turtle Bay includes seven breathtaking beaches where guests can snorkel, paddle board, kayak, bike, segway, stroll, or unwind. The quaint town of Haleiwa resides just 25 minutes away with plenty of dining and shopping choices to choose from. And of course, we can't fail to mention that the renowned surf breaks of Sunset Beach, Banzai Pipeline and Waimea Bay are all within close proximity to the villas.

Whatever kind of Hawaiian getaway you desire, Turtle Apartment 1 is sure to exceed your expectations. Whether you'd like to try your hand at a few Hawaiian culinary favourites at home, lounge poolside amidst stunning ocean views, submerge into the crystal clear ocean, or experience a once-in-a-lifetime day adventure, Turtle Apartment 1 can serve as the home base for all of your future vacation memories.
