DESCRIPTION

Featuring a vast extent of well-trimmed gardens of colourful plants and local, fragrant herbs, the property is the crown jewel of the area with its distinctive architectural style magically blending austere straight lines with cubic volumes and industrial patios and surfaces. Its interiors celebrate multiple styles between its two private villas: the one is mostly adorned with whitish and beige tones and an airy ambience, while the other is a fine mixture of Cycladic, classical and retro trends. The main villa features three levels of utter comfort and an awe-inspiring ambience whose highlight is the 120m² master bedroom with an open-plan shower room with two showers, a bathtub, sitting area, two desk areas, a large wardrobe area, kitchenette and a private balcony. Two independent guest rooms, two fully equipped kitchens, a yoga and pilates room, a massage room, a vast 105 m² swimming pool and multiple lounging and dining areas are also featured in the main villa. The smaller villa can host 10 guests in its distinctively decorated spaces sharing the same alluring atmosphere as the main villa. Three double en-suite bedrooms, a Semi-Double en-suite bathroom, and staff or teenager bedroom with a bathroom. A separate independent Double en-suite guest bedroom, as well as an 80 m² mild salted water swimming pool surrounded by various lounging, sitting and dining areas, will turn your holiday into the ultimate summer bliss. Make this Estate your next summer home and have the most memorable stay in a pure Cycladic setting drenched in seclusion and unsurpassed sea views.
