DESCRIPTION

Built into a gentle sloping hill and totalling a massive 480 sqm, the main bulk of the house is all on a single level which comprises of a huge living/dining area with access to the upper terrace through sliding doors. The main living area is split into various zones with plenty of chairs and sofas, a home cinema projection system, Hi-Fi with multiple speakers, Dvd's, video's, Apple TV etc.

Leading off from the main living area is the master bedroom wing with a lounge area and en-suite bathroom with tub and separate shower. A main feature of the house is an internal atrium which allows natural light to diffuse throughout the living area. On this level one finds a further five bedrooms and a fully equipped kitchen with direct access to the outdoor terrace.

There is access from various points of the house to the large upper terrace which has seating and a dining and coffee table and chairs. There is access from the kitchen to the terrace which facilitates al fresco dining. Steps lead down to the huge 18m x 8m swimming pool which is surrounded with teak decking, gazebo with sun loungers. There's also two changing rooms with shower just off the terrace. From the pool area there is access to the basement section of the house which has a large screen TV, Billiard table, table tennis and a WC.
