

Luxury Villa Living

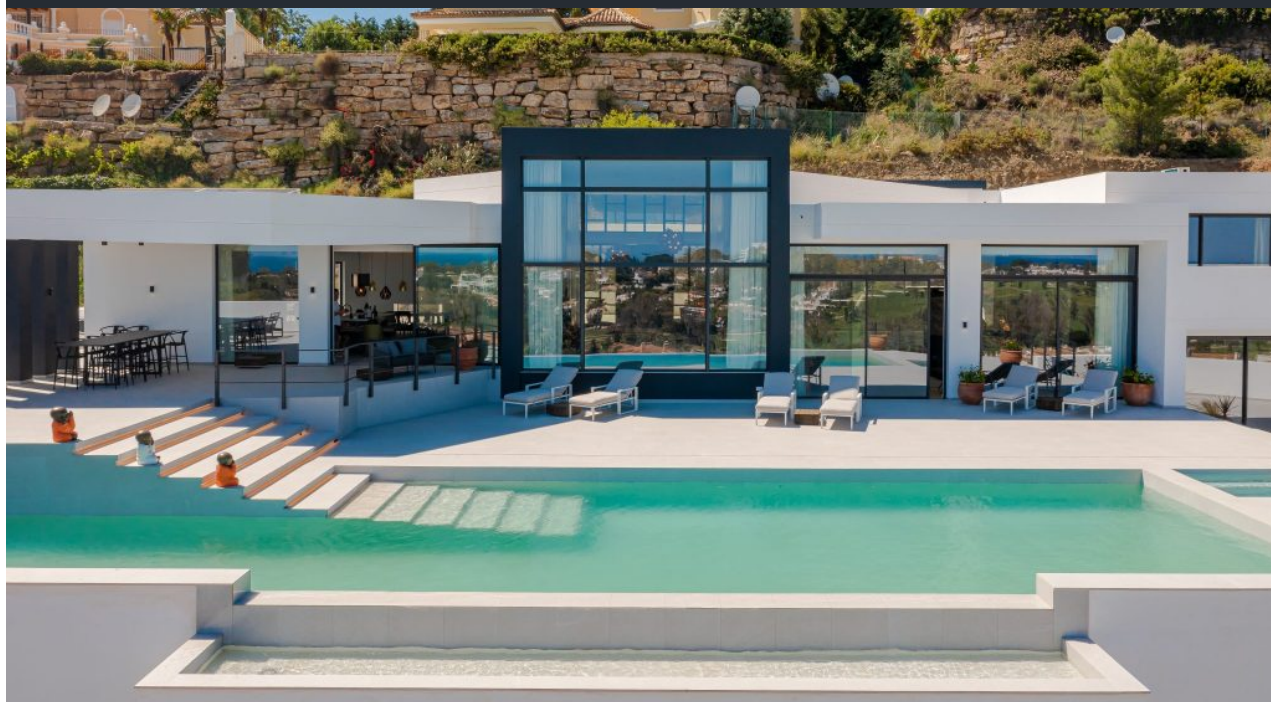

VILLA AINSLIE

Luxury Villa Living

Villa Ainslie

Villa Ainslie is a stylish newly built villa with beautiful panoramic sea and mountain views from its elevated position, and offers its guests some stunningly bright and spacious open plan living. Making the most of natural light throughout with floor to ceiling windows, the villa offers all that one could require from a modern villa. Prestigiously located on the New Golden Mile area and just a ten to fifteen minute drive to Puerto Banus and Marbella.

DESCRIPTION

The over sized entrance to the villa lead into an enormous 300 square metre open plan area for living, relaxing, television, piano, cooking and dining, with ceilings of up to 6 metres and all bathed in natural light and offering distant views of the sea and La Concha mountain. The heart of your holiday will for sure be the spacious kitchen with Wolf and Subzero appliances in combination with two dining areas. This area leads out onto the terrace and 20 metre swimming pool, together with sunken hot tub.

Upstairs there is the 130 square metre master bedroom suite with walk in wardrobe and open plan bathroom. Designer items of furnishing and decoration are found throughout the villa leading to a most eclectic and bohemian feel.

The lower floor contains further bedroom suites, plus spa, sauna, Moroccan inspired steam bath, ice water basin, pool table and a large gym. There is generous garage space for 6 cars. Housekeeping is also included for 5 days per week.

The New Golden Mile is the area between San Pedro del Alcantara and Estepona and is half way between Marbella's cosmopolitan hustle and bustle and Estepona's Andalusian town lifestyle. It has the beautiful Mediterranean coastline on one side and the La Concha mountain range of the other. It features some of the best beaches in the area and offers a huge array of leisure activities together with beach clubs, restaurants, shops and several world class golf courses.

Vila Ainslie is a stunning and stylish contemporary villa in a most desirable location.
