DESCRIPTION

Akasha is a modern contemporary villa that is unrivalled by any other accommodation on the Caribbean island of St. Lucia. We sleep up to 12 guests in complete luxury, notable features include a breathtaking infinity pool with amazing views of the Caribbean Sea, huge sunken living room, 4000 sq ft of terracing, dedicated home theatre and much much more.

The villa offers twelve guests complete privacy. The six suites, all have en-suite facilities featuring Kohler fixtures and Ralph Lauren towels. Porcelain tiling adorns the floors and walls. Granite countertops are fitted throughout. Each suite has individual air conditioning control.

All suites in the villa have spectacular ocean views, their own private terrace, ceiling speakers, fans and dressing area. The Master Suite has a 'Super King' bed. All the other suites in the villa are king beds, one of which can be split into a "twin" arrangement.

The suites in the attached apartment have garden views, queen beds and are smaller than those in the villa.

Akasha is nestled in the hills above Caribblue Beach in St. Lucia, only minutes away from many beaches, restaurants and bars. From the infinity pool you will have sweeping views on the Caribbean Sea and other iconic St. Lucian landmarks - The Pitons, Pigeon Island, and Rodney Bay.

Within a few minutes of the villa you could be playing golf, snorkeling, horse riding, kite surfing, and scuba diving. Stay at home for spa treatments or exercise with your personal yoga instructor. Our conceirge service makes it easy to plan out your vacation with as many, or as few, activities as you would like.
