DESCRIPTION

Villa Albatross complex is made up of 3 separate cabanas and the tree house itself, as well as two stunning outdoor swimming pools for all the guests to enjoy. The interiors of the houses are warm and inviting, with a friendly feel that will immediately make you feel relaxed.

Traditional Portuguese woodwork is used a lot, combined with huge windows and splashes of colour in the form of throws and artwork to create a wonderfully welcoming feeling. A lot of the furniture in the house was made by hand by the owner, incorporating unique materials creating a real sense of singularity that you will not find in many other holiday retreats.

Cabana 1: has the kitchen and living room, Cabana 2: has the master bedroom, dressing room and bathroom, Cabana 3: has two further bedrooms, one twin (option to make a double room) and one double, Tree House: has one double room, Annex: Has bedroom 5 with private porch. Bathrooms: 5 ensuite and 1 guest bathroom in the living room.

Villa Albatross itself is unforgettable, and a stay in it will remain with you for life. Ascend the flood-lit wooden steps to your cosy double bedroom, featuring an amazing bathroom with a huge glass window overlooking the stunning surroundings and a peaceful balcony where you can steal 2 minutes or 2 hours of your own time. The house comes with four mountain bikes available for your use whenever you please, and our concierge service are also happy to organise the rental of quad bikes for those wanting a slightly faster ride. All of the bedrooms are spacious and light, with comfortable beds and amazing views of around the property.

The main pool has sunbeds for all the guests, and is bordered on one side by stunning fuchsia flowers (seasonal) to add an extra splash of beauty to the already breath-taking situation of the villa. There is a second, smaller pool for the use of anyone who might want to escape for a second or two, with a huge outdoor bed with plush cushions so you can really put your feet up. There are multiple outside chill areas, with plush beds and lots of dining options meaning that no one will struggle to find some privacy if they felt the need.
