DESCRIPTION

Sea View Villa with Wine Cellar and Cinema

This sea view villa with wine cellar and cinema offers a refined private stay with elegant bedrooms, generous outdoor areas, and relaxing sea views. Villa Allen is arranged across three levels and includes spacious living areas, six en-suite bedrooms, and a lower-level entertainment space. As a result, it works well for families or groups who want privacy, comfort, and a stylish setting.

The ground level includes the entrance, living room, dining area, and an open-plan kitchen with pantry and secondary kitchen. This sea view villa with wine cellar and cinema also includes a private infinity pool, shaded dining areas, BBQ area, sunbeds, umbrellas, lounge spaces, and several bedrooms with terrace or balcony access.

The layout supports easy indoor-outdoor living. Therefore, guests can enjoy shared meals, poolside relaxation, cinema evenings, and quiet moments with sea or mountain views.

Ground Level Living Spaces

The ground level forms the main social area of Villa Allen. The living room includes A/C, a fireplace, terrace access, and sea views.

A dining area sits close to the open-plan kitchen, creating a practical setting for group meals. Moreover, the pantry and secondary kitchen add useful preparation space.

A guest WC is also located on this level. As a result, the villa offers convenience close to the main living and outdoor areas.

Upper Level Bedrooms

The upper level includes four double bedrooms, each with an en-suite bathroom. Two bedrooms have stand-alone bathtubs, shower rooms, toilet rooms, double beds, A/C, and sea views.

One of these rooms has balcony and back-side terrace access, while the other has direct terrace access. In addition, another double room includes an en-suite shower bathroom, A/C, balcony, and sea view.

The fourth double room has an en-suite shower bathroom, A/C, side terrace access, and mountain view. Therefore, the upper level offers a strong mix of sea-view and mountain-view private spaces.

Lower Level Entertainment and Bedrooms

The lower level includes a wine cellar and cinema room. These features create a stylish place for relaxed evenings indoors.

Two double bedrooms are also located on this level. Each has an en-suite bathroom with shower, double bed, A/C, and natural light from a cour anglaise.

As a result, the lower level adds both entertainment and extra accommodation. It works well for guests who want quiet rooms and easy access to cinema nights or wine tasting.

Infinity Pool and Outdoor Dining

The outdoor area centres around a private infinity pool. Guests can swim, relax on sunbeds, or enjoy the views from the pool terrace.

Lounge and seating areas give everyone space to unwind. Meanwhile, umbrellas and shaded dining areas offer comfort during warmer parts of the day.

The BBQ area makes al fresco meals simple and sociable. With its six en-suite bedrooms, infinity pool, wine cellar, cinema room, sea views, mountain views, shaded dining, BBQ, secondary kitchen, and elegant terrace access, Villa Allen offers a polished private escape.
