DESCRIPTION

This award-winning architectural gem makes full use of its dramatic tropical setting, with the steep contour of the hill's rock face incorporated into the design to form a natural wall across the two lower levels. Never was the label 'infinity pool' more accurately applied than at Villa Amanzi, and every room offers equally stunning sea and sunset views.

Amanzi's modern take on a stilted Thai home features a top-level bedroom wing forming a bridge over the main living area that opens fully to the pool terrace and gardens, erasing any separation from the tropical surrounds and drawing in the sea breezes. Together with the modern kitchen, dining and barbecue areas, this is a warm, luxuriant space inviting carefree celebration that's sure to inspire a thousand sun-drenched "Yes, we're here! #nofilter" Instagram posts. High-tech lighting and an iPad-controlled sound system shift the mood at the touch of a screen, while a family room on the lower floor offers more space to unwind, perhaps over a game of pool.

Set within the Cape Amarin estate, on a headland between Kamala and Patong beaches, Villa Amanzi Kamala is an exclusive private hideaway, yet it offers easy access to choice Phuket sights and leisure attractions including golf courses, beach clubs, yacht charters, shopping plazas, excellent dining and nightlife. Get ready to be swept into Amanzi's fantasy embrace, with the five-star service of the villa's manager, chef and attendants ensuring your island holiday unfolds with total ease and elegance.
