DESCRIPTION

The house harmonizes with the beauty of its surroundings with an effortless and casual sophistication. Passion for the tasteful and simple, plus a very committed sense of quality, has taken this project to the next level.

Located in Tankah, only minutes away from Tulum, Villa Amara is the perfect setting for a family vacation, excursion with friends, or a quick romantic getaway. This luxurious villa offers enough space to comfortably accommodate up to 10 guests.

The secluded beach of Tankah is nestled in between the crystal-clear water of a cenote and the sounds of the crashing waves. It's a special ecological zone that restricts developments and has specific conservation provisions to protect the fragile ecosystem in the area. We also invite you to cooperate in respecting our natural surroundings and helping to preserve this unique slice of paradise.

Villa Amara includes 5 spacious bedrooms with king-size beds. Each bedroom has private bathroom. The Villa offers a living area with comfortable sofas, and a fully equipped kitchen.

The outdoor living space is marvellous at Villa Amara where you can savor the incredible views of the Caribbean. There is a wooden deck furnished with lounge chairs and an oceanfront swimming pool.
