This contemporary villa with heated infinity pool offers a stylish and peaceful stay with unforgettable Ionian Sea views. Villa Antelope combines minimalist interiors, bright open-plan spaces, and elegant outdoor living. As a result, guests can enjoy privacy, comfort, and a calm atmosphere close to the sea.

The villa includes three bedrooms, spacious living areas, a fully equipped kitchen, and indoor and outdoor dining spaces. In addition, it offers two Jacuzzis, one indoors and one outdoors. This contemporary villa with heated infinity pool also has private gates, security, a garage port, and helicopter landing on request before arrival.

The location gives guests spectacular views over the Ionian Sea, mainland Greece, and the island of Cephalonia. Meanwhile, the nearest taverns and beaches are only 5 minutes away on foot.

Minimal Interiors and Open-Plan Living

Inside, Villa Antelope feels modern, bright, and elegant. The interiors use a minimalist design with open-plan spaces and comfortable lounging areas.

The airy bedrooms add to the relaxed atmosphere. Moreover, the villa’s large openings help bring the sea views into the living spaces.

The overall design creates a calm home base for guests who want modern comfort and privacy.

Three Bedrooms and Bathrooms

The property offers three bedrooms. Two bedrooms have en-suite bathrooms with massage power showers.

The third bedroom has access to a separate bathroom with a bathtub Jacuzzi. Therefore, guests can enjoy flexible comfort during their stay.

These bathroom features add a wellness feel to the villa. In addition, the bedroom layout works well for families, couples, or small groups.

The villa includes a full-size equipped kitchen with all facilities. Guests will also find a dishwasher, washing machine, and dryer.

Indoor and outdoor dining areas give guests several ways to enjoy meals together. As a result, breakfast, lunch, and dinner can feel easy and relaxed.

The private outdoor BBQ and pizza oven add even more choice. Guests can prepare casual meals while enjoying the sea air and views.

The glass-fronted private infinity freshwater heated pool is the main feature of the grounds. It is surrounded by stylish sun beds, olive trees, and amazing sea views.

The outdoor Jacuzzi offers another space for relaxation. Meanwhile, the indoor Jacuzzi creates a soothing option at any time of day.
