### DESCRIPTION

The master bedroom enjoys breathtaking views over both the lush green garden and the ocean. Views that will enchant you every morning again, after a perfect night sleep on the king-size bed. The room is adjoined by a private terrace where you can enjoy some quiet time reading a book or simply gazing at the magnificent view. There is also a massage table for ultimate relaxation and rejuvenation. The room also has a private dressing-room and a deluxe en-suite bathroom.

Villa Aparna has three more villa suites. The two king-bedded rooms overlook the ocean and the twin-bedded room looks out upon the garden. All the rooms feature air-conditioning and private indoor or partly outdoor en-suite bathrooms.

The gorgeous sea front garden stretches out across 2,700 sqm of tropical land. The scenic ocean view that blends in seamlessly with the clear blue sky will take your breath away instantly. In the middle sparkles a stunning 18 metre infinity pool, perfect for swimming laps while gazing at the ocean ahead. Guests can choose to sunbath on the pool-side loungers, relax in the traditional Balé Benong, escaping the sun a bit or snooze a little in the hammock, shaded by the swaying leaves of the palm trees. Alfresco dining is also possible, right in your own tropical paradise.

The light-filled living room is designed tastefully with nature stones, local teak wood and traditional artwork, giving a natural feel that fits perfectly with holidaying on Bali island. Floor to ceiling glass sliding doors open up to a breezy veranda where you can relax, sit together and dine to the view of the pool and the ocean. Inside, guests can lounge on a comfy sofa, reading a book or watching a movie on the modern entertainment set that boasts a 46-inch LCD satellite TV with DVD-player and iPod docking station.
