DESCRIPTION

Aqua Vista 26 boasts three air-conditioned bedrooms furnished with comfortable, king-sized beds. Enjoy a good night's rest in the comfort of your private oasis and wake up to the warm sun streaming indoors as you relax on the private balconies. The bedrooms are designed with wooden floors and soaring ceilings that are traditionally-Thai. Since air-conditioning is installed, you need not worry about the tropical humidity bothering you. Ensuite bathrooms come with a bathtub in the master ensuite and walk-in showers in the remaining bedrooms.

A charming and lovely ambiance greets you at Aqua Vista 26 with the beautiful plunge pool that affords an infinite view across the ocean. The outdoors has been designed with lush greenery, palm trees that offer shade from the afternoon sun and dense foliage. You can relax on the sun chairs to soak up some tropical rays and whenever you wish, take shelter under the Thai sala for a nap in the open air.

The living area at Aqua Vista 26 is located poolside with sliding glass doors that reveal the pool and the ocean beyond. Inside, the affair is modern with traditional Thai accents such as a soaring ceiling, intricate woodwork, and art gracing the walls. The living area is air-conditioned and equipped with a flat-screen TV. The plush, L-shaped sofa is perfect for a relaxing evening with friends and family so you can lay back and watch your favourite movies as the sky shifts to the colours of the sunset.

Just beside the sitting area, you will find the dining table that can accommodate up to seven guests on its upholstered chairs. The theme in the living room is broody with dark-washed furnishing that contrasts well with the resplendent outdoors. The final touch is the modern kitchen that is fully-equipped and has a breakfast bar. The kitchen is designed to cater to all your needs without any problem. You can even head to the resort restaurant that serves up a delicious buffet of local and international cuisines.

As part of a private resort, Aqua Vista 26 shares several amenities with the other guests of the resort such as a shared pool, a gym, and a spa where you can indulge in a relaxing massage. The villa is fully-serviced with on-site staff to look after the day-to-day. A concierge and manager are available to answer your questions and help you prepare the best itinerary for your trip.
