DESCRIPTION

Luxury Sicilian Villa Pool on Salina Island

Villa Aquilino is a luxury Sicilian villa with pool located on Salina. Positioned near Malfa, it offers panoramic views over the Mediterranean Sea. As a result, guests experience both privacy and access to one of the most authentic islands in Sicily. The setting feels peaceful, natural, and refined.

Private Estate with Infinity Pool and Sea Views

The villa features a turquoise infinity pool overlooking the sea. It sits within a landscaped garden filled with fruit trees and flowers. In addition, the poolside area includes sun loungers for relaxation. A veranda provides space for outdoor dining and quiet evenings. Therefore, outdoor living becomes a central part of the experience.

Historic Villa with Unique Character

Villa Aquilino has a rich history. It once served as a barracks and may have also functioned as a convent. Today, it blends historic charm with modern comfort. Elegant interiors, artistic details, and soft colours create a romantic atmosphere. As a result, each space feels both unique and inviting.

Three Private Suites with Independent Living

The villa is divided into three independent suites. Each suite includes two double bedrooms, making a total of six bedrooms for up to 12 guests. Each suite also features a sitting room, a corner kitchen, and private bathrooms. Therefore, guests can enjoy both shared moments and complete independence.

Spacious Interiors with Refined Design

The main living area includes a dining room, lounge, and fully equipped kitchen. Large openings connect the interiors to the outdoor veranda. In addition, features such as a wine cellar, stereo system, and smart TV enhance the experience. Therefore, the villa combines comfort with style.
