### DESCRIPTION

Sleeping arrangements are scattered across two floors including three colorful king-sized suites on just the bottom floor with en suite bathrooms in each. The second floor includes an additional three picturesque king-sized suites and two incredible themed bedrooms with custom-built bunk beds for the younger ones in the family, all equipped with en suite bathrooms as well. The fashionistas and fans of those yellow animated troublemakers will have an abundant amount of space to spread out with two sets of bunk beds in both rooms, totaling four twin-sized beds in each.

Step into a world of entertainment with a home theater to have a movie marathon, an upper floor entertainment loft area with a pool and air hockey table for friendly competition, and a secret kid's playroom where the younger ones (or young at heart) can take a ride down the slide. A workout is possible, even on vacation, with a home gym including all the necessary equipment and even an adjoining steam shower and a mini indoor basketball court to step up your game. The Florida sunshine can be enjoyed in the private infinity swimming pool and spillover spa as well as you can entertain your loved ones with a bbq on the grill in the summer kitchen, perfect for warm summer days! For those who want to explore the rest of the area, Reunion Resort has a shuttle service to drive you to and from Disney's parks--just a 12-minute drive away.

If there are golfers in your group, you'll want to hit the links at Reunion's three epic PGA Championship courses. Between games, visit one of the 10 premier swimming pools, including the Seven Eagles pavilion, featuring relaxing jacuzzis and a crisp infinity pool, overlooking stunning views of the courses.

Treat the kids to a trip to the five-acre water park with a huge lazy river and twisting waterslides. Plus, grab a workout buddy and make time for the fully-equipped fitness center, six state-of-the-art "Hydro-Grid" tennis, bocce ball, and volleyball courts, or opt for Yoga and Tai Chi classes. When you want to dine out, you've got a choice of six top restaurants, from an upscale tavern and a sushi bar to Reunion's signature steak house.

It's time to take that long-awaited Florida getaway. Feature fireplace in living room is not for guest use.
