### DESCRIPTION

Five bedrooms house 10 guests. Careful attention to details is given in furnishing the bedrooms - from the design to choice of materials. Top quality wood and marble are used in the décor, and each room is bright, airy and generously proportioned.

The master bedroom occupies a prime beachfront location, two of the rooms are set by the poolside (next to the sala and bar) and the remaining rooms are located below the living area. Amenities like double beds, 32-inch flat screen TVs, DVD player, air conditioners and private en suites are common across all bedrooms.

A neatly manicured lawn, sparkling 20-metre infinity pool, poolside bar, charming Thai-style sala, recliners plonked down in prime spots that overlook the sea - Ayundra definitely ticks all the right boxes as a tropical holiday home. Floating platforms dot across the pool waters, leading guests closer to the beachfront. An outdoor dining bench accommodates 10 for al fresco meals. A sala located away from the pool and equipped with sofas and a ceiling fan offers a cosy, comfy spot for shaded siestas.

Ayundra's finely appointed living spaces combines European and Thai design elements. The furnishings, set in various cream and earth-toned hues are stylish and contemporary: an L-shaped sofa with plump throw pillows wrap around a 50-inch LCD and Bose surround sound system in the indoor lounge. The wood-dominated open kitchen is undeniably chic, and comes complete with polished black countertops and amenities like a wine chiller, stainless steel oven, stove tops and microwave.

If dining out is not an option, an indoor dining set comfortably accommodates 10 guests. With its uninterrupted sea views, lofty ceilings and a sense of spaciousness, the dining area offers just the right ambience for hosting dinner parties. The interior may be kept cool with air conditioners or ceiling fans on balmy days.

Looking to get a workout? Sweat it out in an air conditioned fitness room equipped with bench press machine, exercise bike, treadmill and shower.
