Villa Baer

You will can relax and read a book under the shade of an olive tree and contemplate the view in a very quiet position. If you decide to go outside, don't forget your swimsuit! Puglia is a very interesting place to spend holidays because you can at the same time visit cultural spots and have a swim and diving in the turquoise sea. The seaside is a wonderful a succession of long sunny beaches (suchus Le Maldive) and little wild creeks. So, for this summer: relax, visit or swim? You don't have to choose.
