DESCRIPTION

The villa is arranged over 3 floors: On the top floor is the entrance to the property, the covered parking area and also a large double bedroom with en-suite bathroom, walk in wardrobe and access to a huge terrace overlooking the whole bay. The next level accommodates 4 double bedrooms, all with access to a large terrace, 3 with en suite bathrooms and one with a separate bathroom.

The spacious and chic Bultaup designer kitchen, the huge lounge / dining area, a cinema room and an enormous covered terrace are to be found on the ground level. The floors are connected internally by a staircase or the lift.

In front of the living area, also facing the sea but on a lower level is the pool which boasts a truly impressive size.

Villa Beech features include: under floor central heating, pre-installation for pool heating, reversible air conditioning throughout, just to name some details. A large storage area is underneath the pool level and in spite of the fact that the villa has only just been finished, the garden is already resplendent with beautiful, local plants and flowers.

This outstanding villa is a must see for fans of cool, modern architecture who want a representative residence in Puerto Pollensa.

The international yacht marina and excellent conditions in the beautiful bay attract many water sports enthusiasts to this charming port. The golden sandy beach and shallow waters leading off the beach into the sea are guarantees for wonderful family vacations. Numerous exquisite restaurants and trendy cafes along the promenade or on the main square in the town centre are waiting to spoil their clients. Puerto Pollensa is the perfect holiday resort with a traditional ambience for families and people who want to enjoy a relaxing and laid-back vacation.
