### DESCRIPTION

Villa Biara has 5 luxurious air-conditioned bedrooms. Each room is styled individually but all of them are elegant and comfortable. Quality double beds, satellite TV, large wardrobes, day beds and tropical-styled en-suite bathrooms - it's just what you need to get a good sleep at night to the sound of the sea. In the morning, wake up to ocean views and breath in the fresh air. Have a coffee and plunge into the pool outside - another day in paradise!

The outdoor area is huge! Expansive manicured lawns are perfect for parties, BBQ feasts and kids to chase a ball or run around. There is no direct beach access (no stairs!) but from everywhere, the ocean views will enchant you. There is a sparkly turquoise pool to swim your laps or have some water fun and there are poolside lounge beds for relaxing and/or sunbathing. The bales (gazebos) make nice spots to chill out on bean bags, sipping cocktails and enjoying the tropical surroundings of your Bali Villa.

The large, lofty living room boasts stunning ocean views! The high-vaulted ceiling allows fresh air to circulate and the interior design is tropical chic with bamboo lamps, rattan sofas and statues. There are comfortable sitting areas and there is a large wooden dining table with rattan chairs but you can also dine alfresco style out on the terrace under a sunburst or starlit sky. For entertainment, chill out in the air-conditioned TV room and watch movies on a lazy night-in. The kitchen is equipped with state-of-the-art kitchen appliances and it comes with a bar and high chairs.

One thing that makes your villa stay even more wonderful is the staff! Welcoming Balinese hospitality awaits. There is personal guest assistance, housekeeping staff and security.
