DESCRIPTION

Introduction

This luxury villa with private pool in Algarve combines spacious interiors, elegant outdoor areas, and stunning golf course views. It is ideal for families or groups who want comfort, privacy, and entertainment in one property.

Multiple Living Areas

The villa features three distinct living areas. First, the open-plan main space has sofas, chairs, a fireplace, and large doors that open onto the terrace, letting in plenty of natural light.

Next, the second living area includes a large L-shaped sofa, a TV, and terrace access. This makes it perfect for socialising or relaxing. In addition, this level hosts a fully equipped kitchen with a central island and a separate dining area that also opens onto the terrace.

The third living area is on the lower level. It includes another spacious L-shaped sofa and leads to a games room with table tennis and a pool table. Furthermore, a home cinema with comfortable bean bags provides additional entertainment for all ages.

Bedrooms and Terraces

The villa has six bedrooms in total. Three are located on the lower level, all bright and filled with natural light. The remaining three are on the upper floors, each with terrace access. Therefore, the layout ensures flexibility and comfort for every guest.

Outdoor Living and Pool

Outside, a large private pool is surrounded by sun loungers and parasols. Expansive decking and a covered terrace provide a comfortable outdoor sofa area, dining table, and a fully equipped kitchen with a gas barbecue.

Additionally, the first-floor terrace features a daybed and extra sun loungers. The villa enjoys spectacular views over the golf course, making outdoor relaxation and entertaining effortless.
