DESCRIPTION

This luxury golf villa with infinity pool and sea views offers an exceptional blend of contemporary design, indulgent leisure spaces, and breathtaking surroundings, making it an outstanding choice for high-end holidays or exclusive retreats.

The ground floor welcomes guests through an elegant entrance hall leading to a cloakroom and a spacious open-plan living area. Designed for both relaxation and entertaining, the living and dining spaces flow seamlessly into a fully fitted and expertly equipped modern kitchen. A dedicated bedroom wing on this level houses four of the villa's five beautifully appointed double suites, each enjoying direct access to the pool deck. Two of these suites feature luxurious en-suite bathrooms, while the remaining two offer refined shower rooms, ensuring comfort and privacy for all guests.

A softly lit staircase leads to the first-floor mezzanine, which overlooks the living space, pool terrace, and lounge area, while offering captivating views across the golf course beyond. To the right, the master suite continues the villa's theme of understated luxury with Moroccan-inspired décor, a spa-style en-suite bathroom, and an electric skylight that bathes the space in natural light. To the left, an expansive open roof terrace invites guests to stroll or relax in the elevated seating area, where panoramic golf and sea views create a truly memorable setting.

The basement level is dedicated to leisure and entertainment. Here you will find a stylish bar and games room, a sleek garage with mirrored feature wall, a versatile den or gym, a sauna, and a striking circular cinema room — perfect for evening entertainment.

Outside, the pool deck is a standout feature of this luxury golf villa with infinity pool and sea views. Highlights include an in-pool bar, a poolside jacuzzi, a dramatic infinity pool, generous sunbathing areas, a covered outdoor dining space, and tranquil landscaped gardens with an elegant water feature at the front of the property.
