DESCRIPTION

Perched high above the beach, Villa Bonneville enjoys a secluded setting and breathtaking panoramic views over the rocky headlands and shimmering Aegean Sea. Its turquoise infinity pool appears to blend seamlessly with the horizon, creating an endless expanse of blue. The sun-drenched deck, shaded pergolas, and elegant al fresco bar provide the perfect backdrop for lounging, dining under the stars, or entertaining around the firepit.

Inside, the villa exudes serene island sophistication with exposed stone walls, pale driftwood-toned floors, and soft white finishes. The inviting living room curves around a fireplace and leads to a mezzanine dining area with sea views and a sleek, fully equipped kitchen.

The main house offers four elegant bedrooms, three doubles and one twin, all with en-suite bathrooms. Two independent studio suites with private terraces, kitchenettes, and en-suite facilities provide additional space and privacy for guests.

Combining luxurious seclusion with proximity to the island's most sought-after destinations, Villa Bonneville is a stylish retreat close to major beach clubs, the charming village of Ano Mera, and vibrant Mykonos Town.
