DESCRIPTION

Villa Bunya consists of five different apartments connected with each other. It is ideal for large families, groups of friends, groups of colleagues, or anyone who likes the idea of holidaying together, still with the possibility to have some privacy and own space. All "apartments" have a bedroom with a double bed, living room (some with sofa beds) and en-suite bathroom. The heart of the finca consists of a large kitchen and dining room with a fireplace together with a cosy lounge with an open fireplace.

The heart of the house is the kitchen, which was recently renovated with the idea in mind to make it suitable to cook for large groups of people. There are two large fridges (small freezer), two dishwashers, oven, microwave, and cooker. The kitchen is fully equipped with everything you need. The owners love to cook and have made sure that this is a kitchen where you can do so.

Outside at Villa Bunya, there is a newly renovated outdoor kitchen with dishwasher, sink, gas hob, and a professional BBQ. Next to the outdoor kitchen, there is a dining table and seating for ten under a shaded pergola. There is a large pool (10 x 4.5m), a Jacuzzi, and all over the garden, there are groups of outdoor furniture with chill-out areas, providing plenty of places to hide away with a cup of coffee and a good book.

The absolute hot spot of the house is the pool house. The house has two built-in sofas, sun chairs, and a table. This is the ultimate chill-out area, with permanent shade and undisturbed views of the pool. Cool and comfortable during the day and cosy for socialising in the evening.

The activity room has two separate entrances from the outside, where you will find a table-tennis table, yoga mats, training bench, weights, board games, darts, and a TV.

There are many great supermarkets close by. One favourite is Eroski Felantix. It is situated 10 min away and has a meat and fish counter.

The beaches are within 20-25 min proximity. Mallorca's most beautiful beach, Es Trenc, is situated 25 min away. A favourite beach is Porto Cristo.
