Indoors

Villa Buttler is newly renovated and consists of 2 buildings, the main house which has 4 double bedrooms with en-suite bathrooms, a children's room with bunk bed, central kitchen, living room with lounge area, dining area and reading room. The other building is an annex which has 2 double bedrooms with en-suite bathrooms.

The living room of the main house consists of 3 areas. You enter the living room lounge area from the hall and kitchen. In the middle of the living room, there is the dining table that has seating for 14 people.

The back of the living room is for reading/relaxing/board games/playing, with a big wooden desk, armchairs and sofa.

Outdoors

Outside, you have a beautiful terrace with a long dining table, offering you a beautiful view over the sea, while you are eating a good barbecue.

The shape of the outdoor swimming pool is like a rounded crescent inspired by the shape of the small local beach Cala Garbo. You can relax on the deckchairs or daybeds around it.

The courtyard, a calm and cooling space between the main house and the annex, is composed of a beautiful fountain and two outdoor showers, a sink, mirror, separate WC and a bamboo roof that lets in rays of sunshine.
