The four ground-floor garden suites feature private terraces and direct access to the gardens, with some also opening onto the pool area. The impressive first-floor master suite enjoys elevated views across the estate and includes a sumptuous bathroom with both a bathtub and walk-in shower.

An additional garden pavilion houses two interconnected bedrooms, making it particularly well suited to families travelling with children. These rooms share a spacious bathroom and enjoy direct garden access and private outdoor seating areas.

All bedrooms include air conditioning, dressing areas, safes and ensuite or dedicated bathrooms, ensuring every guest enjoys a relaxing and comfortable stay.
