DESCRIPTION

Beachfront Villa with Jetty in Corfu

This beachfront villa with jetty in Corfu offers a rare coastal escape for guests who want privacy, sea access, and luxury service. Villa Capybara is built directly on the beachfront and enjoys access to a secluded beach. As a result, guests can step easily from the house to the shore and enjoy the sea throughout the day.

The villa also has a jetty, making it ideal for guests who love exploring the coastline by boat or yacht. Northeastern Corfu is known for its quiet coves, pale rocky bays, and lush vegetation that reaches down to the water. Therefore, Villa Capybara creates an exceptional base for discovering secluded places that are best reached by sea.

This beachfront villa with jetty in Corfu combines elegant living spaces, wellness facilities, entertainment areas, concierge service, and eco-friendly details. It can accommodate up to 10 guests in five en-suite bedrooms, with a sixth twin bedroom available upon request and at extra cost for up to 12 guests.

Beachfront Living and Boat Access

The villa’s beachfront setting is one of its greatest features. Guests can enjoy a secluded beach right beside the property, making sea swims and relaxed beach days effortless.

The private jetty adds even more freedom. In addition, it supports boat trips along the northeastern Corfu coastline.

This area is ideal for guests who want to explore untouched coves and hidden beaches. As a result, each day can include swimming, boating, and peaceful time by the water.

Spacious Interiors and Entertainment

Villa Capybara includes a vast sitting and dining room for relaxed group living. This space is ideal for shared meals, evening drinks, and quiet moments indoors.

A cinema room gives guests a comfortable place for films and downtime. Moreover, the study area and computer make the villa practical for guests who need to stay connected.

There is also a tennis table for friendly games. Therefore, the villa offers plenty of entertainment for families and groups.

Wellness and Bedroom Comfort

The property includes a gym and Jacuzzi, giving guests wellness options without leaving the villa. These features make it easy to stay active, relax, and enjoy slow holiday routines.

Five bedrooms have en-suite bathrooms and can accommodate up to 10 guests. In addition, two bedrooms include private balconies.

A sixth bedroom with twin beds is available upon request and at an additional cost. As a result, the villa can host up to 12 guests when this option is included.

Concierge Services and Staff

Villa Capybara offers an impressive level of service. Guests benefit from a dedicated pool person and grounds person.

A chef and chef's assistant are also available at the property. Therefore, meals can become a relaxed and tailored part of the stay.

The villa's expert staff can also provide a wide range of personalised services. This makes the property especially suitable for guests seeking a seamless luxury holiday.

Eco-Friendly Features

Villa Capybara also includes several environmentally friendly features. An organic vegetable garden supports fresh, seasonal ingredients.

Solar energy is used for lighting in the exterior areas. In addition, rainwater is collected for house use.

With its beachfront location, secluded beach, jetty, five en-suite bedrooms, optional sixth bedroom, cinema room, gym, Jacuzzi, chef service, concierge support, and eco-friendly systems, Villa Capybara offers an outstanding Corfu coastal retreat.
