Frequented by jet setters and royals alike, the Greek Riviera serves as a holiday home for numerous famed individuals such as Constantine II, the former King of Greece, Sean Connery and Roman Abramovic.

The areas, stunning natural harbor's and protected coves offer crystalline waters, lovely pine-clad hillsides and pretty fishing boat vistas. This is the ultimate destination for the kind of mega rich who don't need to draw attention to themselves.

At any time, visitors can jump on a water taxi to the cosmopolitan islands of Spetses and Hydra and step back in time to the elegant past of the belle époque, with its horse-drawn carriages, captain's mansions and French Riviera feel.
