DESCRIPTION

It is a total environmental worry-free to stay in Villa Castil di Udara as the electricity and hot water in this villa get produced by solar panels.

Whether your first time trip to Bali or a returning visit, the modern home has everything you need.

Each of the 4 bedrooms in Villa Castil di Udara are spacious, modern and comfortable with plush king sized beds. Ideal for escaping the heat after a day exploring with your loved ones, you can lounge back on the luxe linens, bask in the cool air-conditioning and look out over tropical views of the gardens.

The luxurious and tropical ensuite bathrooms boast Western amenities including a grand bathtub and wooden decor. Enjoy having your own piece of paradise to return to after a long day with your loved ones.

Everyone will have their own haven to relax and unwind.

Villa Castil di Udara has a lush tropical garden with towering palm trees, green lawn and glistening private swimming pool. Perfect for lazy days lounging around the villa, you can recline on the comfortable sunbeds, soak in the rays and dip into the cool waters when the heat is too much.

The garden features an outdoor living area with couches and furniture where you can relax with a cocktail or supervise the kids playing in the water.

Villa Castil di Udara is an idyllic setting for a memorable Bali holiday.

The interior living areas of Villa Castil di Udara are spacious, open-plan and plush with modern couches, a grand dining table and fully equipped kitchen where you can prepare your favourite homemade meals. Lounge back to watch movies, play games with your loved ones and spend quality time together in luxury.

With all the homey amenities you need for a comfortable stay, Villa Castil di Udara will quickly become your favourite island escape. Overlooking the gardens with easy indoor to outdoor access, it is the perfect place to enjoy the tropical setting.
