### DESCRIPTION

Relish in the epitome of luxury with our newest addition—an architecturally stunning retreat perched to provide breathtaking views of both land and sea. This designer's home, comprising a main house and two separate guesthouses, is a masterpiece of elegance and sophistication. The main house boasts three master bedrooms, a spacious living room, dining area, kitchen, and a convenient WC. Each element, from the architecture to the interior design, showcases meticulous attention to detail.

The outdoor space is a sanctuary, featuring a lap pool where you can both unwind and take in the unbelievable vistas of the surrounding areas—a truly elevated experience. The guesthouses offer additional comfort, with one being a double master bedroom equipped with its own kitchen and living room. The other guesthouse, with a single bedroom, provides a perfect haven for more intimate retreats.

Common spaces are thoughtfully designed to bring everyone together, while different sitting areas offer opportunities for peace and privacy. Although not located in the bustling heart of the town, this retreat has its own brand of "hip" that guarantees an exquisite, unique, and unforgettable stay. Immerse yourself in luxury, where less is more, and every detail speaks volumes about the art of refined living.
