### DESCRIPTION

All that, always being accompanied by sweeping panoramas of the gleaming Aegean Sea and a gorgeous, cloudless Mediterranean sky, at one of the most prestigious and serene Mykonos regions – the infamous Kastro area.

Why rent Villa Chaney...

What can be more heart-pleasing than the first rays of the sun beaming through the open window, only to invite you to incredible seascapes cascading right below your very feet? Take a few steps to get the full view from your private veranda and feel free to get lost in the myriad shades of blue unfolding for you. Besides a fabulous spot to meditate, practice yoga, and do your breathwork rituals, your balcony is the perfect place to enjoy your morning cup of coffee or breakfast if you would rather have a few moments of privacy before you meet with the rest of the guests and share laughs and plans for the day moving forward.

The most creative (we are talking about culinary skills here!) of you all will certainly find their earthy heaven at the fully equipped kitchen, where they can effortlessly give “divine” a new dimension when it comes to preparing delicious meals and dishes for you. Of course, you can always request concierge chef services and have an experienced chef take all the work off your shoulders and pamper your taste buds with delicious flavours from the local or international cuisine.

A plethora of dining, lounge, and sitting spaces both inside and outside the property allow you to choose not only your level of privacy but also the type of experience you wish to embark on before you start exploring the rest of the island and its legendary nightlife. The private pool offers refreshing getaways during the heat of the summertime, while the BBQ area can become a gathering point hosting your evening celebrations and feasts!

Nearby amenities and things to do

Kastro is a region quite close to Mykonos Town, the capital of Mykonos. It gathers the overwhelming majority of shops, museums, galleries, sights, local attractions, and the island’s after-dark entertainment options. From gourmet restaurants and waterfront tavernas serving palate-pleasing seafood and fish dishes to lively LGBTQ+ bars, clubs throwing parties all night long, and charming cafes, expect to be spoiled for choice.

If you prefer a more chilled experience, you can always head to scenic and picturesque Ornos Bay (nearly 9 kilometres away), while the nearest sandy beach with crystalline waters is Megali Ammos, a short 18-minute drive from your mansion. The same applies to the party meccas of the island that host the most legendary Mykonos beach parties!
