

Luxury Villa Living

Villa Chaney

Villa Chaney perfectly embodies Cycladic architecture, combining chalky white and deep blue tones with beamed ceilings, flat rooftops, and minimalist cubic forms. Earthy hues and natural textures create a serene, elegant setting ideal for relaxing and enjoying time with loved ones.

DESCRIPTION

All of this unfolds against sweeping panoramas of the shimmering Aegean Sea and the endless Mediterranean sky, in one of Mykonos' most prestigious and peaceful locations - the famed Kastro area.

Why choose Villa Chaney...

Imagine waking up to the first rays of sunlight streaming through your window, revealing breathtaking seascapes just beyond your private veranda. Step outside and sink into the countless shades of blue stretching to the horizon. Whether you're meditating, practising yoga, or simply enjoying a quiet morning coffee before joining the rest of your group, this is your sanctuary.

Culinary enthusiasts will find inspiration in the fully equipped kitchen, perfect for crafting memorable meals. Prefer to relax completely? Request a private chef and savour exquisite local or international dishes without lifting a finger.

Multiple indoor and outdoor dining, lounging, and sitting areas provide the flexibility to choose your ideal level of privacy and ambiance throughout the day. Cool off in the private pool, enjoy lazy afternoons in the shade, or gather around the BBQ area for sunset dinners and evening celebrations.

Nearby amenities & things to do

Kastro sits just moments from Mykonos Town, putting the island's vibrant cultural and nightlife scene within easy reach. Explore boutiques, museums, galleries, gourmet restaurants, seaside tavernas, lively LGBTQ+ bars, and world-famous clubs.

For a more laid-back experience, head to the scenic bay of Ornos (around 9 km away), or visit the closest sandy beach, Megali Ammos, only an 18-minute drive from the villa. And when you're ready for Mykonos' iconic beach parties, some of the island's most celebrated venues are also within convenient distance.
