DESCRIPTION

The house is constructed over two main levels. The upper level is the living area and the lower level where the six bedrooms are located. There is a third lower outdoor level with games. The entrance foyer area has stairs leading down to the main living area. There is also access to the foyer entrance through the garage and here an elevator connects the living and sleeping levels below.

No expense has been spared in the decking-out of the house from the designer Tenuee kitchen with two fridges including a large American style fridge/freezer, Nespresso and Magimix expresso and filter coffee machines, dual temperature wine fridge and kitchen seating area with four Italian designer leather stools.

Located close to Begur, Villa Charlton is right up there amongst the top luxury villas on the Costa Brava.
