This sea view villa with infinity pool offers a stylish private stay with generous poolside living and flexible accommodation. Villa Chinchilla includes four double bedrooms in the main villa and a lower ground level guest house with a private entrance. As a result, it works well for families, couples, or groups who want shared spaces and independent guest accommodation.

The main villa is arranged around the pool level, giving guests easy access to the terrace, infinity pool, dining areas, and sea views. In addition, the property includes en-suite bedrooms, a guest WC, a fully equipped open-plan kitchen, shaded outdoor dining, a BBQ area, and a Jacuzzi at the guest house level.

This sea view villa with infinity pool is designed for relaxed outdoor living. Guests can move easily from the living room to the terrace and pool area, while the sea and pool views create a calm holiday atmosphere.

Pool Level Living Spaces

The pool level includes the entrance, living room, dining area, and fully equipped open-plan kitchen. The living room has a TV, A/C, fireplace, terrace and pool access, and sea and pool views.

This layout creates a sociable heart for the villa. Moreover, the open-plan kitchen keeps cooking, dining, and relaxing closely connected.
