DESCRIPTION

Entrance Level

This sea view Algarve villa welcomes guests with a bright entrance hall that immediately showcases the home's contemporary design and clean architectural lines.

On this level, guests will find a convenient cloakroom as well as a stunning open-plan living, dining and kitchen area. Floor-to-ceiling glass windows frame panoramic views of the Atlantic Ocean and flood the space with natural light.

The south-west orientation ensures beautiful sunsets each evening. Meanwhile, large sliding doors connect the interior to the outdoor terraces, creating a seamless flow between indoor and outdoor living.

Ground Floor Bedroom Suites

The ground floor focuses on rest and relaxation and includes four spacious bedroom suites.

The luxurious master suite offers direct access to the pool deck, allowing guests to step outside and enjoy the terrace with ease.

In addition, there are three generously sized double bedroom suites, each with its own en-suite bathroom. All four bedrooms open directly onto the sun-filled pool terrace, creating a natural connection between the indoor spaces and the outdoor living areas.

Basement Level

The basement has been thoughtfully designed as a versatile leisure space.

Here, guests will find a comfortable TV lounge with a kitchenette, which provides an ideal setting for family movie nights or relaxed gatherings.

The level also includes a guest bedroom with a pull-out bed and a private shower room. This room works well for staff members or additional guests.

At the centre of the basement, an open atrium with a cascading water feature brings natural light and a calming atmosphere to the space.

Roof Terrace

The rooftop terrace is one of the villa's standout features.

Guests can enjoy the BBQ and dining area, which is perfect for alfresco evenings with family and friends. The jacuzzi offers another relaxing space where guests can unwind while watching the sun set over the ocean.

In addition, the sunbathing deck provides privacy and spectacular sea views across the coastline.

Outdoor Areas

The outdoor areas of this sea view Algarve villa are designed for relaxed Mediterranean living.

The pool deck is easily accessible from both the bedrooms and the main living areas. This layout makes it simple to move between indoor and outdoor spaces throughout the day.

A spacious terrace sits next to the main living areas and offers uninterrupted sea views. The family-friendly swimming pool also includes a shallow section designed specifically for toddlers.

Finally, landscaped gardens surround the property and enhance the peaceful atmosphere of the villa.
