DESCRIPTION

Bedrooms in This Dunas Douradas Villa

This Dunas Douradas villa offers spacious and comfortable accommodation across the main property and a separate annexe.

Two bedrooms are located on the ground floor. One is a double bedroom, while the other is a twin en-suite bedroom. Both rooms open directly onto the terrace, which provides easy access to the outdoor areas.

The master suite is located on the first floor. It includes a double bed, a seating area and a private terrace with outdoor seating overlooking the surrounding garden.

Another guest bedroom suite is also located on this level. This room can be arranged as either a double or twin bedroom. In addition, it includes an en-suite bathroom and its own private terrace.

Outdoor Areas and Swimming Pool

The exterior of the property is perfect for enjoying the Algarve climate. A large heated swimming pool with a cascade and slide creates a fun and relaxing space for guests of all ages.

Around the pool, there is plenty of space for sun loungers. The landscaped garden also adds to the peaceful setting.

Guests can also enjoy an al-fresco dining area and a BBQ. As a result, outdoor meals become a highlight of the stay.

The Annexe

The remaining two bedroom suites are located in a separate annexe, which guests access through its own front door. Both bedrooms can be arranged as either double or twin rooms.

The annexe also includes a private terrace, a fully equipped kitchen, a spacious lounge and a dining table. Therefore, it provides extra privacy and flexibility for larger families or groups.

Dunas Douradas Resort Location

This well-located property sits within the highly regarded Dunas Douradas resort, which has long been popular with families visiting the Algarve.

Luxury Villa Living

Guests can walk along the beach to reach the restaurants at Júlia's Beach and Vale do Lobo Praça in around 10 to 15 minutes. In addition, several of the Algarve's most famous golf courses are only a short drive away.
