DESCRIPTION

Golf Course Villa with Spacious Living Areas

This golf course villa offers generous living space and beautiful outlooks, mainly over the golf course. The property includes five bedrooms, three of which are ensuite. All bedrooms are spacious and designed to provide comfort and privacy during your stay.

The villa also features bright and airy living areas. The main lounge is light and welcoming and includes a feature fireplace. As a result, it provides a comfortable place to relax throughout the year.

Next to the lounge is a formal dining area. This space is ideal for shared meals and gatherings with family or friends. In addition, the property includes a super-equipped kitchen with everything needed for convenient meal preparation. The kitchen also leads to an excellent breakfast terrace where guests can enjoy outdoor dining.

Lower Floor Entertainment and Facilities

The lower level of this golf course villa offers a large entertainment area designed for leisure and relaxation. This floor includes a home cinema where guests can enjoy movies in comfort.

In addition, there is a games room that provides entertainment for all ages. The lower floor also features a temperature-controlled wine cellar, making it ideal for storing and enjoying fine wines.

Furthermore, this level includes a guest WC, a laundry room, and a shower room. There is also plenty of garage space available for vehicles and storage.

Outdoor Terraces and Heated Swimming Pool

The exterior spaces of this golf course villa are designed for enjoying outdoor living. The extensive terracing provides both sunny and shaded areas throughout the day. Therefore, guests can choose the perfect spot depending on the time of day.

The property also features a large heated and covered swimming pool. This allows guests to enjoy swimming comfortably in different seasons.

An elevated BBQ terrace offers views over the golf course. This space is perfect for outdoor dining and social gatherings. In addition, the property includes a children's play area and a putting green, which add extra fun for families and golf enthusiasts.

Luxury Villa Living

Comfort, Technology and Security Features

This golf course villa also benefits from several modern comfort features. The property includes underfloor heating as well as ducted air conditioning. As a result, the indoor temperature can be kept comfortable throughout the year.

In addition, the villa includes a sound system and specialised lighting. A comprehensive security package is also installed, including electric shutters and an alarm system.

Together, these features provide both comfort and peace of mind for guests staying at the property.
